Work Experience

Shift Supervisor

CVS Pharmacy, Virginia

June 2023- August 2024

- Managed pharmacy team workflow and inventory, ensuring smooth operations and accurate prescription filling.
- Delivered excellent customer service by assisting with inquiries and addressing concerns.
- Supervised and trained staff, ensuring policy compliance and fostering a positive work environment.

Senior Executive

24Hours Inspired

May 2015- September 2020

- Provided comprehensive administrative support, managing calendars, organizing meetings, preparing reports, and handling email communication. Executed and led 3 projects, assisting with approximately 10 others.
- Coordinated travel arrangements, planned and executed events, and ensured smooth logistics.
- Interacted professionally with clients, customers, and visitors, and maintained and updated databases, records, and office supplies.
- Managed day-to-day office operations, including equipment and facilities, and organized both physical and digital files.

Projects

- **Designed Responsive Web App Breakpoint- "Chef Connect" Recipe App**
Chef Connect: Unite with culinary enthusiasts! Discover diverse recipes, expert tutorials, and cooking tips for all skill levels. Join a vibrant community, share your passion, and learn new skills.

- **Redesigned Existing App UI "Via Eurasia" Travel App**

Via Eurasia is a travel app tailored for European exploration. The challenge lay in addressing key issues: convoluted navigation, an excess of screens, and outdated branding. To revamp the app, I focused on streamlining navigation, reducing screen clutter, and modernizing the branding and color palette to align with accessibility standards.
